

# Mounting Instructions

## MXR3 Motorcycle Rack

### Tools Required

- 5/16" Drill
- 3/16" Allen wrench
- 1/2" Wrench

**1.** Place the MXR3 rack centered against the pickup bed and mark the three mounting hole locations for drilling. If the pickup bed has overhangs, it may be necessary to mount the rack upside down for a better fit.

**CAUTION:** If the pickup bed has a bed liner, ensure that the rack is fully supported by the pickup bed and not the bed liner.

**2.** Drill three 5/16" diameter holes in the pickup bed in the locations marked in step 1.

**3.** Mount the MXR3 rack using the hardware provided. Use a washer under the screw heads and under the lock nuts.

**CAUTION:** Do not overtighten the hardware as it may crush the rack frame tubing.

### Bill of Materials

ITEM	PART NO.	QTY.	DESCRIPTION
-	-	1	Motorcycle Rack
-	-	3	Screw, 5/16-18 x 2"
-	-	6	Washer, 5/16"

### WARRANTY

Buyers Products Co. warrants all truck/trailer hardware manufactured or distributed by it, to be free from defects in material and workmanship for a period of one year from date of shipment. Parts must be properly installed and used under normal conditions. Any product which has been altered, including modification, misuse, accident or lack of maintenance will not be considered under warranty. Normal wear is excluded. The sole responsibility of Buyers Products Co. under this warranty is limited to repairing or replacing any part or parts which are returned, prepaid, and are found to be defective by Buyers Products Co. Authorization from Buyers Products Co. must be obtained before returning any part. No charges for transportation or labor performed on Buyers' products will be allowed under this warranty.
